What does an Advantage After School Mentor do?

- Mentors are hired as paid employees of Transitional Living Services of Northern New York (TLSNNY) (\$15.00 per hour) to be leaders and/or assistants of activities after school with our students (4th—8th grades) at HCS. These positions are open to any HCS staff member along with community members!

Mission of Advantage After School Program:

Advantage After School Programs (AASP) offer a broad range of educational, recreational, cultural, and age appropriate activities in a safe environment. AASP integrates what happens in the school day with less formal learning experiences and encourages the active participation of children, youth and families in the design and delivery of program activities. The AASP was created to help provide New York State's children with educational, interesting and fun activities to fill the vital three-hour gap directly after school.

What Do I Need to Do?

- Complete a TLSNNY Employment Application (http://www.tlsnny.com/employment_application.htm)
- Interview with AASP Coordinator to further discuss the program and how your skills could benefit Harrisville students in grades 4 - 8.
- The paperwork process includes new hire TLSNNY paperwork along with state required documents such as a background check, fingerprinting (paid for by TLSN-NY), TB test (paid for by TLSNNY), and Medical Clearance by a Physician, Physician's Assistant, or Nurse practitioner. The state requires this extra paperwork because we are a School Aged Child Care (SACC) licensed program.
